

{ \Rightarrow conditional Statement \Rightarrow ("if, else, else if, switch")
 \Rightarrow loops (for, while, do while) \Rightarrow comparison & logical
 \Rightarrow for...in, for...of

loop { }
 }

coding questions

- ① understand the ques (what, why) \Rightarrow scenario / App
- ② is concept to be used.
- ③ apply & lego building

basic
 follows
 1 & 2

advance
 \Rightarrow per paper [Draw diagram]
 \Rightarrow pseudo code.
 \Rightarrow write the main logic

pseudo code

```

if (a > b) {
  max = a
}
else {
  max = b
}
if (max > c) {
  }
  
```
